

NF 001 HERBAL TOOTHPASTE 100ml tube pack height 13 cm

Mild, natural toothpaste with Mint, Cloves, Aniseed and Tea Tree Oil, xylitol and stevia. Popular with health conscious people as a tooth nutrient, gum protector and gentle tooth cleaner. A gentle yet effective stain remover with sea salt, bicarb and silica for strong white teeth and healthy gums. Tea tree and Peppermint to freshen and disinfect the mouth. No bleach/peroxide.

Brushing with a neutral toothpaste with a pH of 7 for a few days, changes the way your teeth feel throughout the day – smooth, never coated. Healthy saliva is your best oral hygienist!

All our Oral Hygiene Products are non toxic, FLUORIDE FREE and safe to swallow albeit unintentionally. <http://naturefresh.co.za/how-safe-is-fluoride/> . Using a fluoride free mouth wash also helps to keep teeth and gums healthy <http://naturefresh.co.za/products/nf-040-breath-buster-anti-microbial-mouthwash-200ml/> Tea Tree oil and zinc are natural disinfectants and peppermint oil freshens the breath. Aniseed oil keeps the mouth moist and promotes a healthy flow of saliva that can be maintained at a normal pH as the toothpaste is kept to a neutral pH of 7. Natural cellulose and glycerine are used for emulsifying. Changes to our oral hygiene and intimate products are: NO PARABENS, NO SLES/SLS, NO COLOURING, NO SACCHARINE We only use xylitol and stevia in oral hygiene products.

Traditional herbal products - never tested on animals.

Don't not stop taking your prescription medications or combine with other treatments unless advised to do so by a medical practitioner. Therapeutic effects may vary according to the unique constitution or condition of a patient. Read the ingredient lists and instructions. [Nature Fresh Data Base for COVID-19 pandemic](#)

Herbs and minerals
Anti-microbial herbal extracts and beneficial minerals. No added fluoride, triclosan, nasty chemicals or colouring

Brush teeth after breakfast and at bedtime. The product is not harmful if accidentally swallowed, but try to rinse it out. Use herbal Nature Fresh Anti-microbial mouthwash.

Although xylitol is beneficial for tooth and gum care it may harm animals. Nature Fresh Aloe and Propolis toothpaste contains no xylitol so it is more suitable for pets affected by tooth and gum diseases.

Ingredients: Purified Water, Calcium- and Magnesium-Carbonate, Zinc Oxide, Vegetable Glycerine, Hydroxyethylcellulose, Polysorbate 20, Propylene- and Methyl- Hydroxybenzoate, Citric Acid, Cocamidopropyl Betaine, Aniseed Oil, Peppermint Oil, Clove Oil, Tea Tree Oil, Xylitol, Stevia, Olive Leaf, Aloe Ferox Extracts (contains natural fluoride traces).
