NF 003 ALOE GUM THERAPY TOOTHPASTE 100ml tube Pack 14cm high
 For sensitive teeth, ulcers, bleeding gums, tooth extractions and post-op care. Contains Aloe Ferox, natural aloe gel, calcium, magnesium, zinc and vitamin C. Propolis helps to kill germs and prevent infections. Contains stevia.

Safe for pets: Xylitol has been excluded because this product is used for cats, dogs, horses and other animals to treat gingivitis or mouth infections. Dogs and cats and even horses enjoy it too! It can be spread onto something they can chew for added benefit and keeps the saliva healthy. Never feed your animals sugar or wheat and other starches.

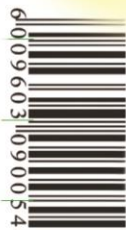

Why no fluoride?. It is harmful to the living tissues that attach the tooth to the jawbone. Collagen tissue is destroyed by fluoride and this results in a receding gum line, exposing the sensitive area of the tooth that is not protected by tooth enamel. This delicate type of bone is not dependent on fluoride for strength. Tooth decay in this region is a serious threat to oral hygiene Calcium and magnesium deficiencies result in loose teeth. The first sign of osteoporosis is seen in a weak jawbone with tooth recession. Brushing with a neutral toothpaste with a pH of 7 makes your teeth feel clean and smooth all day long. All our Oral Hygiene Products are non toxic, FLUORIDE FREE and safe to swallow albeit unintentionally. <http://naturefresh.co.za/how-safe-is-fluoride/>

Gentle for TEETH and GUMS
Propolis helps to control infections.
No fluoride or harsh chemicals
Earth, people and pet friendly

This product helps to treat sensitive teeth, ulcers, open lesions and inflamed gums. It is also suitable for animals and that is why we have excluded xylitol, as it may harm them.

Brush teeth after breakfast and at bedtime. Rinse with water or use Nature Fresh anti-microbial Mouthwash. Apply to open wounds after extraction or surgical lesions if you have approval from your dentist. pH 7 = saliva compatible. Not harmful if accidentally swallowed.

Ingredients: Purified Water, Calcium Carbonate, Magnesium Carbonate, Zinc Oxide, Vegetable Glycerine, Hydroxyethylcellulose, Citric Acid, Polysorbate 20, Cocamidopropyl Betaine, Aniseed and Mint oil, Stevia, Propylene- and Methyl- Hydroxybenzoate, Purified Bee Propolis, Calendula Flower Extract, Aloe Ferox Bitters and Gel, Rooibos.
