**NF 005 ALOE SKIN THERAPY GEL 75 ml tube.** Pack height 13cm  
 A soothing and toning gel for very sensitive problem skins. Can be used as is for shaving; especially ingrown hairs and skin rashes (men and women) Handy for travel or beach: sunburn, itches and rashes and to protect skin before swimming. Can be used for nappy rash and eczema.  
 Good for shaving sensitive skin and as an aftershave .  
 Active ingredients include rooibos tea, aloe ferox gel and leaf extract, MSM (methylsulphonylmethane), buchu, wild sage and pure camphor.

For sensitive skin use our Sensitive Body wash or rooibos Intimate cleanser instead of regular alkaline soaps, shampoo and shower gels to avoid irritation.

**Parabens in nature:** We do our best to find alternatives for parabens but: Parabens are one of the most abundant organic acids found in nature. 90% of our parabens come from dietary sources, such as mangoes, granadillas, green tea, strawberries, etc [Truth about Parabens \(naturefresh.co.za\)](#)

[Parabens \(naturefresh.co.za\)](#) We are obliged to ensure a shelf life of many years for our products. It is our responsibility to prevent disintegration or contamination of each item. This is achieved by using ingredients that have a good safety profile and are not toxic or irritating. Herbal ingredients have many benefits and we include a lot of them in the form of: tinctures, freshly harvested plant material, decoctions and essential oils. Natural is best, but we have to preserve it somehow.
