

## NF 020 PAIN THERAPY MASSAGE GEL 100ml clear bottle pack height 12cm

Ten herbal actives for pain, stiffness, sore muscles, joints, tendons & bruises. A gentle soothing formula with a pleasant herbal fragrance. It's non-oily, non-staining, non-burning, non-stinking and non-stinging. Can be used on sensitive skin to gently massage the pain away. A unique formulation stimulates the flow of electrical current over the treated area and this enhances the effect of ultrasound or infrared therapy. Arnica and Comfrey help to heal bone and tissue injuries and MSM (methylsulphonylmethane) intensifies this effect. Rosemary, Ginger and Eucalyptus gently warm in contrast to Ledum and Phytolacca that cool and deal directly with black eyes and unsightly bruises. Hypericum eases sharp, shooting pains: (crushed fingers). Some people use it on mosquito bites! Also try the pain supplement with MSM and Vitamin C, plus Calcium Complex.

### Traditional herbal products - never tested on animals.

Therapeutic effects may vary according to the unique constitution or condition of a patient. Read the ingredient lists and instructions. [Nature Fresh Data Base for COVID-19 pandemic](#)

**For Best Results, first shake the bottle**

Apply to painful areas and rub it in for fast acting relief. This non burning gel is rapidly absorbed. It can be used with ultrasound equipment and for massages. Good for bumps and bruises, aches and pains - but for open wounds or intimate areas rather use NATURE FRESH First Aid Balm.

**NATURAL HERBAL FORMULA**

20% Herbal infusion of: Hypericum, Arnica, Ledum, Ginger and Phytolacca help heal damaged muscles, nerves, cartilage and bones (pain, bruising, stiffness).

2% essential oils of Rosemary, Eucalyptus, Clove, Lavender, Camphor and Mint help with circulation. MSM (methylsulphonylmethane) intensifies the effect of all the active ingredients. Other ingredients: water, glycerine, methylcellulose, methyl parabenoic acid, salicylic acid, propyl parabenoic acid, Polysorbate 20, green food colour.

We apologise for the brown sediment of herbal actives - we try to stay natural!
